

PUBLIC INFORMATION DEPARTMENT
NEIGHBORHOOD COORDINATION

HELP US HELP YOU!

In the case of a fire or a medical emergency, our first responders need to be able to find your home quickly and easily. But our firefighters and EMTs can only find your home or business if we can see your address. Thousands of homes in Bernalillo County are not visible, unmarked or marked incorrectly.

Follow these simple rules to help us find you in the case of an emergency.

To Comply with County Ordinance:

- * Numbers and letters should be a minimum of six inches high and no less than 1/2 inch wide
- * Numbers and letters should contrast with their background
- * Street addresses should be plainly legible and visible from the street or road fronting the property.

For more information see the Fire and Rescue web page at www.bernco.gov or call the Bernalillo County Fire Marshal's office at 468-1310.
